REDUCE LANDFILL WASTE

Use this checklist to make sure you have all the necessary components for your poster board.

Tasks	Complete	Teacher's Check
We have identified a simple solution to reduce landfill waste.		
We have example of how people can use this solution.		
Our solution has 3-5 facts.		
There are drawings with each of our facts and our solution.		
We have thought about questions people might ask us and are ready to answer them.
